

vandeWiel.c

```
graph TD; A[vandeWiel.c] --> B[R.h]; A --> C[Rmath.h]; A --> D[Rdefines.h];
```

A diagram showing a central node 'vandeWiel.c' in a gray box at the top. Three dark blue arrows point downwards from this node to three separate white boxes below it. The boxes are labeled 'R.h', 'Rmath.h', and 'Rdefines.h' from left to right.
